

Utility Services Connection Guide Blacksburg

Electricity

**Virginia Tech Electric Service (540) 231-6437
601 Country Club Drive SW, Blacksburg**

Our most recent information shows: Service information is available by calling the number above. You must complete an application which is available at the office. No deposit is required for residential service.

Water & Sewer

**Town of Blacksburg (540) 961-1119
300 South Main St., Blacksburg**

Our most recent information shows: Water and sewer service can be requested by calling or visiting the town municipal building. New residential customers must pay a deposit and (where applicable) a transfer fee. The deposit is returned after one year.

Natural Gas

ATMOS Energy 1-888-824-3434

Our most recent information shows: Call the number above regarding applications for service. A deposit is charged for residential service and is based on the customer's credit record.

Telephone

Verizon (540) 954-6222 toll free

Our most recent information shows: Customers can request service by calling the toll-free number above. Service is usually provided within three business days of request, however, ***Verizon- VA recommends requesting service three weeks in advance during the busy fall season when students are returning to area colleges.*** Verizon-VA provides long distance service within Southwest Virginia. To choose a long-distance carrier outside the region, contact a Verizon-VA service representative. A deposit may be required, depending on credit information. The deposit will be returned after a sufficient payment record has been established.

Cable Television and Internet

**Comcast Cable – Contact Donna Crisco @ 540-378-1179/540-588-5563
1415 South Main St., Blacksburg**

Our most recent information shows: An installation fee is charged for new service. Please contact Comcast for information on service options and internet provider services.
