Radford News

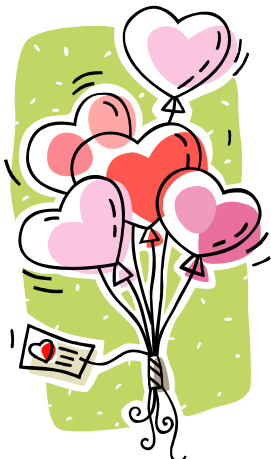

- ◆ **Radford University Homecoming:** February 24th—25th, Radford University will be celebrating homecoming weekend. Visit <http://www.radford.edu/content/radfordcore/home/alumni/stay-connected/winterhomecoming.html> for more details.
- ◆ **Cold Weather Reminder:** As you have noticed, winter is here. With the weather colder, it is very important to make sure that your windows and doors are left closed. If you have an AC unit in your win-

dow, please call BCR and we can remove it for you. This will help on your heating bills as well as make your home much more enjoyable.

- ◆ **Now Leasing:** We are now leasing for the upcoming school year. If your apartment will be available, we will be showing it to potential residents for next year. So please keep it as clean as possible. If you would still like to renew your lease, please call Hannah or Monica TODAY!

- ◆ **BCR Parking Permits:** If you have a different car than the one you originally registered with BCR, please come to the office immediately to get a new parking pass.

Join Us for the RU Housing Fair!

Radford University will be hosting an off-campus housing fair on February 9th through the 10th during the hours of 11:00am—3:00pm. There will be information sessions as well as off-campus housing providers there to answer your questions and help you with all of your housing needs. Please be sure to stop by and see us and pick up information on the best in off-campus housing!
