

# FYI...

- **Happy Birthday RU:** Congratulations RU for celebrating their 100th birthday. BCR will be throwing a birthday party for the school on April 9th. Please join us for food, fun and to celebrate this milestone.
- **Parking Reminder:** Don't forget, if you live in a complex that has restricted parking, that you must notify the office of any vehicle changes. If you do not, you are at risk of being towed. If you have lost your copy of the parking rules, you can always access them on our website under resident information.
- **Quadfest Reminder:** If you plan to participate

in Quadfest this year, please be careful. Don't forget that you are responsible for your guests. Any damages will be charged to your rental account. Also, towing will still be enforced, so your guests will need to find alternative parking. Most importantly, please act responsibly.

- **Pet Owners:** All pet owners, please remember to pick up after your pet. When you don't, it can be very unpleasant for your neighbors as well as invite unwanted pests around. Thanks for picking up!
- **Go Green:** On April 22nd we will celebrate Earth Day. Take this opportunity to go green,

you can start with something as simple as changing your light bulbs to the more efficient halogen bulbs.

- **Recycling:** the city of Radford offers free recycling. All you have to do is take your recyclables to Bissett Park. Thanks for doing your part.
